A Visit to the North Pole Saturday, December 13	100	●	●	

SSSRA has a variety of events scheduled for 2025, and we are excited to partner with local companies and organizations to raise money for our participants and families.

We provide recreational opportunities to children and adults with disabilities or special needs. Our association is an extension of six park districts and three recreation and parks departments.

Recreation programs are essential to everyone, and SSSRA programs are designed to be inclusive for any age group and any disability. Programs include sports, art, social clubs, Day Camp, Drama Club, dances and field trips. Participants have the opportunity to connect with friends, improve motor skills, gain confidence and have fun!

How You Can Make a Difference

Whether you are interested in sponsoring an event, having a vendor table, or donating a raffle prize, we are grateful for your support.

Every partnership we make impacts the benefits for our participants and families and helps raise awareness for our mission.

Supporter Benefits

All sponsors, vendors and raffle prize donors will receive recognition:

- in the SSSRA seasonal brochure following the event
- on our website and social media
- in our email newsletters to families and supporters
- at the event you support

Plus the connections you make with our participants, families and community members!

Thank you for your time and consideration. Please reach out if you have any questions or need additional information.
