

Dear Parents/Guardians:

Thank you for enrolling your child in the South Suburban Special Recreation Association Day Camp. We are looking forward to an exciting and successful summer.

For our Summer Day Camp 2023, there are three required assessment forms to be filled out. One is the **Parent Assessment to be completed by the parent or guardian, one is the Teacher Assessment to be completed by your child's teacher, and the third is a Transportation Assessment.** These forms are extremely valuable to SSSRA staff. The information provided assists us to better understand your child's needs and to provide a successful summer experience. You can find these forms on our website at <https://sssra.org/forms/>. Please complete and return the forms no later than June 1st, 2023 to Janice Miller at janice@sssra.org. You may also print the forms out and bring them in person to the SSSRA office. **Even if your child is not taking transportation to and from camp, please complete the Transportation Assessment form as it helps on field trip and swim days.**

In addition, if your child takes medication during day camp hours, please complete the enclosed Medication Distribution form, and return it to the SSSRA office. You can also fill out the Medication Distribution form online. This form can be found at <http://sssra.org>. All medication must be turned in to the SSSRA office the Friday prior to your child's start at day camp. For a list of medication deadlines, please see **Medication Deadlines** dates listed below. All medicine must be in a sealed medication envelope (provided by SSSRA) labeled with all the correct and pertinent information. If you need more envelopes, please contact the SSSRA office.

If you have any questions regarding day camp or medication, please contact Stephanie Stocks at the SSSRA office at (815) 806-0384.
